

VIII. GENERAL MANAGER (As of 5/7/19)

- A. **Executive Session Summary** – During the May 22, 2019 Board Executive Session, the Board will review the AGC and CSC Committee Meeting minutes, discuss legal matters, review delinquencies, collection matters and bad debt write-offs, fine waiver requests, and discuss variance requests.
- B. **Fire Fuel Reduction** – The initial work identified by the consultant (High Sierra Forestry) is nearing completion. Additional areas will be identified and we will continue to perform work until we reach the allocated level of funding from 2018. Once this has been completed we will seek bids for work to be performed in the 2019 budget.
- C. **Rockery Wall Inspection Program** – A proposal was approved at the April Board meeting to install monitoring equipment at various locations throughout the community. This along with scheduled physical inspections will be conducted on a reoccurring basis at designated locations throughout the community. Installation of the monitoring equipment will begin on 5/8/19.
- D. **SGCC/SOA Water Facilities Adhoc Committee** – An Adhoc Committee was established to allow the SGCC and SOA to work together to ensure the preservation of the water rights and that the equipment which services both golf courses is property repaired and maintained. The first meeting took place on May 1st. A scheduled inspection of the SGCC equipment and water facilities has been scheduled for June 6th. The next committee meeting is scheduled for June 20th at 3:30 p.m.
