Major Accomplishments

(Identify what the committee has successfully completed for tasks assigned)

We had a 2022 planning meeting on Thursday, August 12th. We have completed a full calendar of exciting events for 2022. We will be presenting this 2022 calendar to the entire committee and board liaisons for a vote on Thursday, August 26th. When this is voted upon we will submit to the board at its September meeting along with our budget request for 2022. The committee members have voted upon asking for a \$20,000 increase in the event budget bringing it to \$35,000 for 2022. We do not have an official vote on this amount because we did not have a board member in attendance at our 2022 planning meeting.

Golf Cruise event on Sept. 13 is sold out.

Upcoming Objectives and Goals/Tasks

(Short term items in the 1-8 weeks)

Finalize details for the remaining events in 2021.

Upcoming Homeowner Interaction

(Notification to the Board and homeowners of upcoming items they will see that will require their response)

Committee Recommendations

(Items the Committee would like the Board to consider and take action on. Any recommendation requiring a financial based decision will need to have a summary business case submitted to the Board at least one week in advance.) We would like to add a Somerset resident to the Events Committee. Her name is Kate Falcocchia. She and her husband Eddie are long time residents of Somerset and she was raised in Verdi. We are thrilled to have her as an addition to the committee since most of our current membership have only been residents for 3 years or less.
