

COMMITTEE: Events Committee

Member Reporting: Jenny Williamson

Committee Report should be no more than 4 minutes in length. The Board will keep time similar to homeowner comments to ensure time management of the meeting.

The committee shall complete and turn in to the community manager by the designated time.

Major Accomplishments

(Identify what the committee has successfully completed for tasks assigned)

The Sunset Golf Cruise was a sold out and fun event. We had issues with the golf club and I will meet with them to discuss.

The 2022 event calendar has been completed. We have at least one committee member assigned to lead each event. We would like to have co-chairs for each event in the event of an emergency but we don't have enough members. (See below request.)

Upcoming Objectives and Goals/Tasks

(Short term items in the 1-8 weeks)

We will have a budget planning meeting at our next meeting.

Upcoming Homeowner Interaction

(Notification to the Board and homeowners of upcoming items they will see that will require their response)

Committee Recommendations

(Items the Committee would like the Board to consider and take action on. Any recommendation requiring a financial based decision will need to have a summary business case submitted to the Board at least one week in advance.)

1. We would like to increase our committee charter from 9 members to 12. With the increase in events we need more help.

2. We would like to request an Event Committee credit card with a limit of \$5000. We are having difficulty in purchasing the event items we need going through staff.

3. We would also like to be able to see financials for each event as well as to see monthly where we are with our budget when the new accounting system is set up.
